Step 2 – After Clicking on Login button, click on Student Login.

The screenshot shows a web browser window with the address bar displaying "online.vtu-online.net". The page header includes the university's logo and name in Kannada and English: "ವಿಶ್ವೇಶ್ವರಯ್ಯ ತಾಂತ್ರಿಕ ವಿಶ್ವವಿದ್ಯಾಲಯ" and "Visvesvaraya Technological University". A "Language" dropdown menu is visible in the top right corner. The main content area is titled "ONLINE LEARNING PLATFORM" and features three login options: "STUDENT LOGIN" (with a graduation cap icon), "FACULTY LOGIN" (with a lightbulb icon), and "Administrative Login" (with a person icon). Below the "STUDENT LOGIN" button, there is a link: "Don't have an account? [Apply Now](#)". The footer of the page displays the "Digital India Power to Empower" logo.

Step 3 – Use your login Credentials (Username and Password) for login.

Student can login with Mobile Number also.

At the bottom of the page, a message states: "Your (student_id: 10111) IP Address is being tracked due to security reasons. your current IP Address is 199.151.95.19".

Step 5 – Student needs to select the subject that he/she wants to book and then click on submit button.

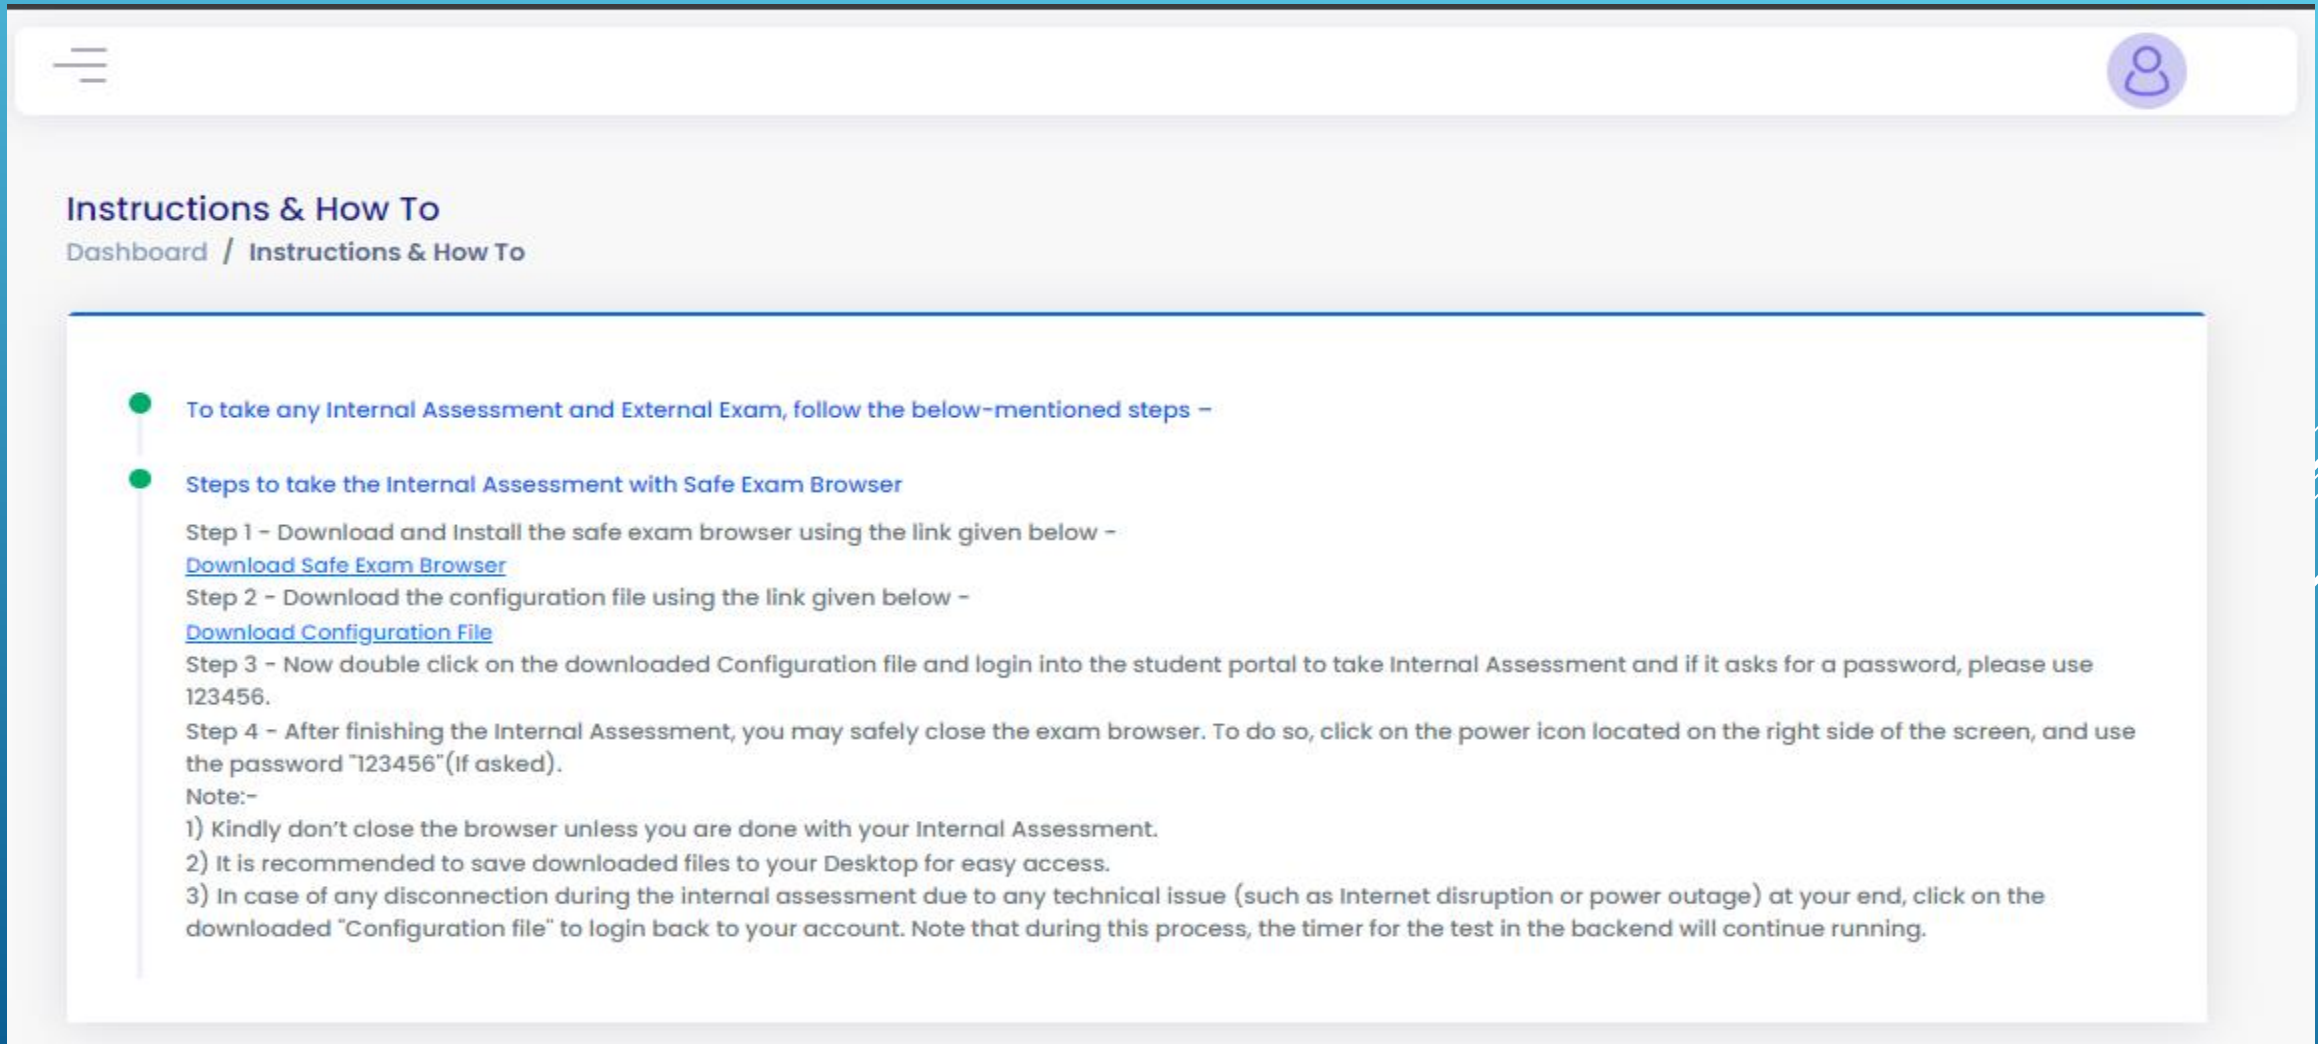

Exam Form Filled For: Dec-2023 Pending

| <input type="checkbox"/> Select All | Course Name | Semester | Type |
|-------------------------------------|---------------------------------------|----------|---------|
| <input type="checkbox"/> | Business Communication | 1 | Regular |
| <input type="checkbox"/> | Principles of Marketing | 1 | Regular |
| <input type="checkbox"/> | Fundamentals of Statistics | 1 | Regular |
| <input type="checkbox"/> | Management & Organizational Behaviour | 1 | Regular |
| <input type="checkbox"/> | Business Economics | 1 | Regular |

SUBMIT

Step 6 – After that student needs to click on “**External Exam Tab**” and need to download the “**Safe Exam Browser**” in their system from the given link.

After downloading and installing the “**Safe Exam Browser**”, download “ **Configuration file**” from the link given on the same page.

The screenshot shows a web interface with a navigation bar at the top containing a hamburger menu icon on the left and a user profile icon on the right. Below the navigation bar, the page title is "Instructions & How To" and the breadcrumb is "Dashboard / Instructions & How To". The main content area contains a list of instructions for taking an internal assessment using the Safe Exam Browser.

Instructions & How To
Dashboard / Instructions & How To

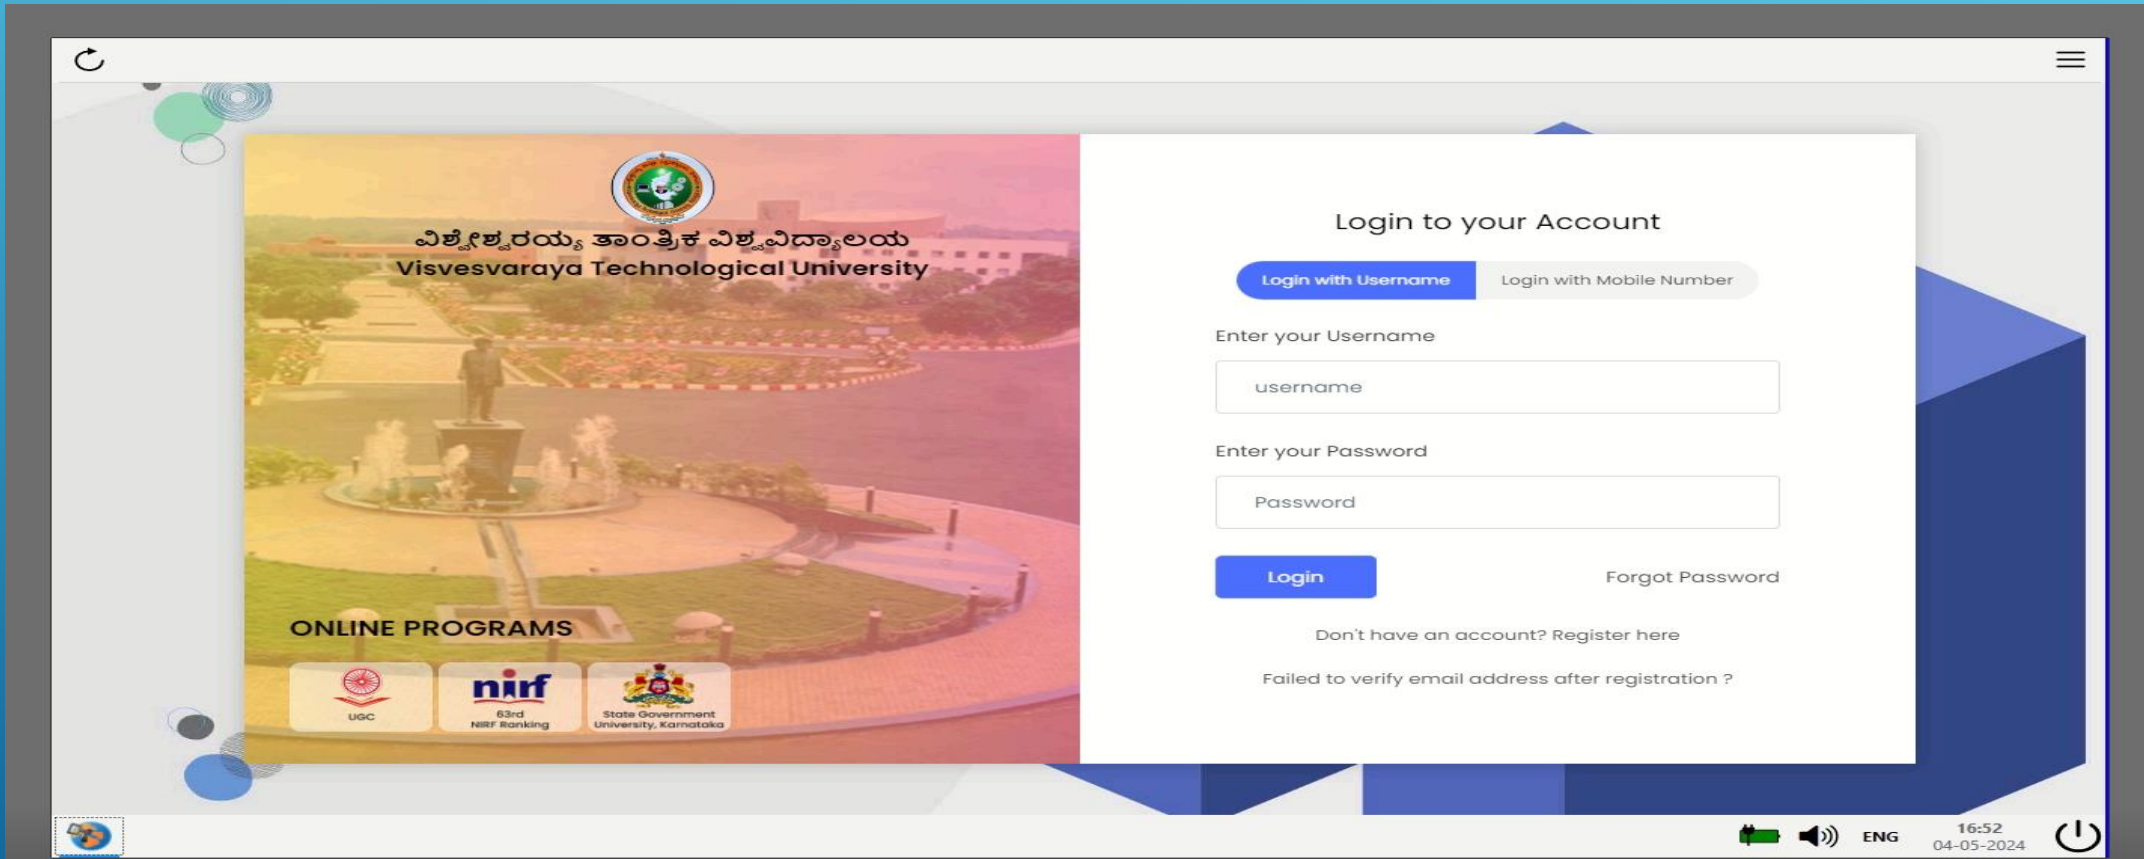

- To take any Internal Assessment and External Exam, follow the below-mentioned steps –
- Steps to take the Internal Assessment with Safe Exam Browser**
 - Step 1 - Download and Install the safe exam browser using the link given below –
[Download Safe Exam Browser](#)
 - Step 2 - Download the configuration file using the link given below –
[Download Configuration File](#)
 - Step 3 - Now double click on the downloaded Configuration file and login into the student portal to take Internal Assessment and if it asks for a password, please use 123456.
 - Step 4 - After finishing the Internal Assessment, you may safely close the exam browser. To do so, click on the power icon located on the right side of the screen, and use the password "123456"(If asked).

Note:-

- 1) Kindly don't close the browser unless you are done with your Internal Assessment.
- 2) It is recommended to save downloaded files to your Desktop for easy access.
- 3) In case of any disconnection during the internal assessment due to any technical issue (such as Internet disruption or power outage) at your end, click on the downloaded "Configuration file" to login back to your account. Note that during this process, the timer for the test in the backend will continue running.

Step 7 - After downloading the “**Configuration File**”, right click on the downloaded file and then safe browser will be opened.

| Name | Date modified | Type | Size |
|---|------------------|----------------------|-------------|
|  SEB_3.5.0.544_SetupBundle | 09-06-2023 12:22 | Application | 2,54,754 KB |
|  SebClientSettings-vtu | 31-01-2024 13:08 | SEB Configuration... | 4 KB |

Note - Use your login Credentials (Username and Password) for login.

Step 8 – In the “**Safe Exam Browser**”, click on “**External Exam**” Tab under Assignments, Quizzes and Evaluations.

Then Click on the Course name for which student needs to take “**External Examination**” and click on “**Book Exam**”

Your (student_vtu_bcd) IP Address is being tracked due to security reasons, your current IP Address is 180.151.95.42

17:24
04-05-2024

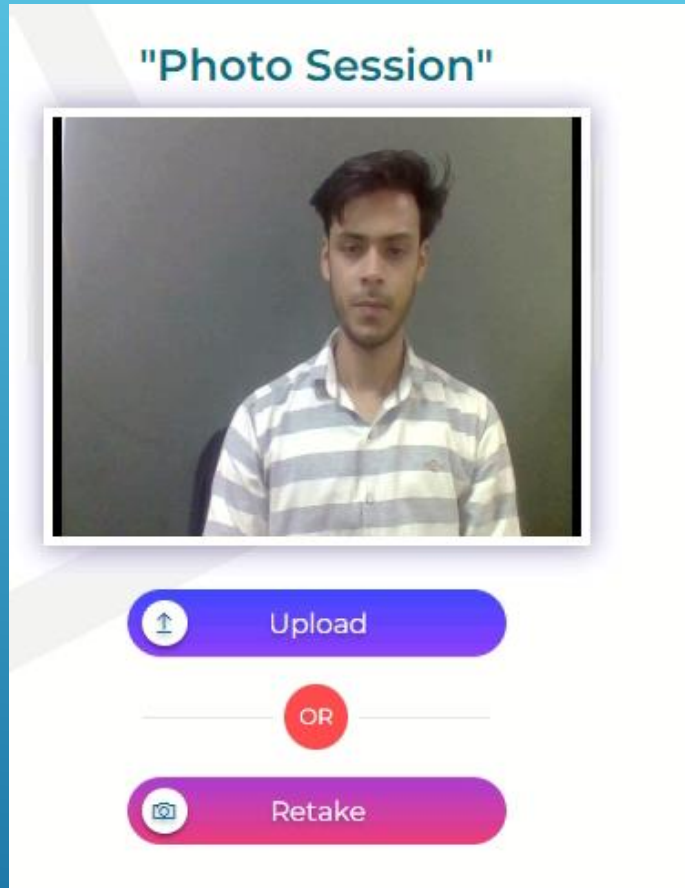

Step 11 – After clicking on Start Exam you will get connected to the Proctor and will get below screen.

The screenshot displays the 'Online Examination System' interface. At the top left, there is a refresh icon. The header includes the text 'Online Examination System' and a user profile icon labeled 'Student_vtu_bcd'. Below the header is the Visvesvaraya Technological University logo and name. The main content area features a light blue background with a network diagram pattern. A central white message box contains the text: 'Please wait while a Proctor becomes available, and starts your Exam session.' Below this, a note in red italicized text states: '*Note: *This time shall not be deducted from your total exam time.*' A purple button with the text 'Wait for a Proctor to join you' is positioned below the message box. The bottom status bar shows a battery icon, a speaker icon, the language 'ENG', the time '17:32', the date '04-05-2024', and a power icon.

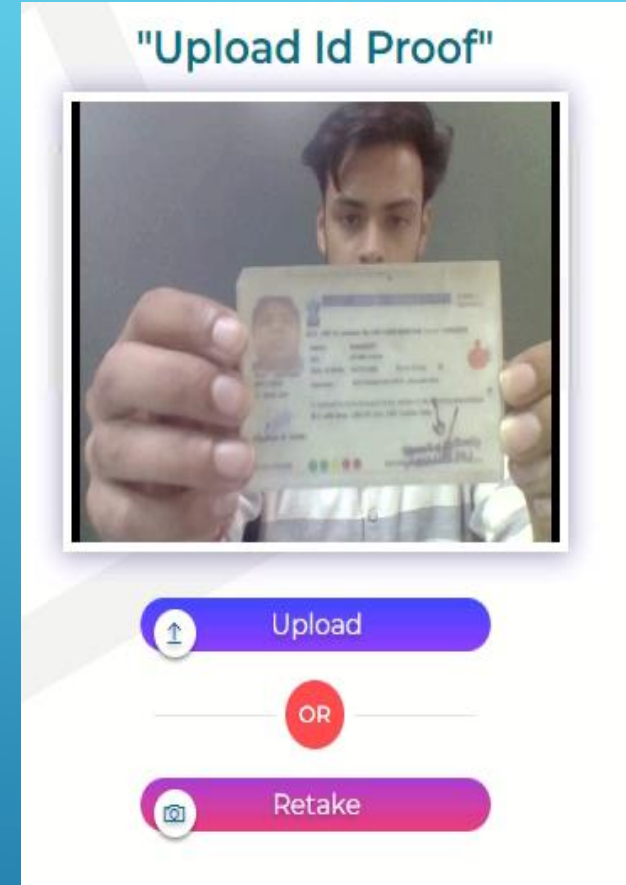

Step 11 – After 2-3 minutes “ Wait for Proctor to Join the exam” will change to “ Start your exam”. Then click on “Start your exam”

The screenshot displays the 'Online Examination System' interface. At the top, there is a navigation bar with the text 'Online Examination System' on the left and a user profile icon labeled 'Student_vtu_bcd' on the right. Below this is a header for 'Visvesvaraya Technological University' featuring its logo. The main content area has a light blue background with a network diagram pattern. A central white box contains the text: 'Please wait while a Proctor becomes available, and starts your Exam session.' followed by a note: '*Note: *This time shall not be deducted from your total exam time.*'. Below this box is a prominent purple button labeled 'Start your Exam'. The bottom of the screen shows a system tray with icons for a globe, battery, speaker, language (ENG), time (17:48), date (04-05-2024), and a power button.

Step 12 – After that follow the steps on the exam page

1. Photo Session
Click your clear image as shown above.

2. ID Proof
Show any Government ID proof close enough to camera so that your details are clearly visible.

3. Show your **Surroundings**: You have to rotate your camera in different degrees as shown below.

"Rotate webcam 90 degrees clockwise"

Get Clicked

90 Degree: Rotate the complete camera/laptop to show the surrounding of the left side of your room/workspace and capture the image.

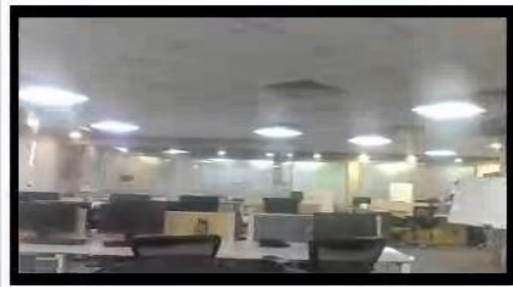

"Rotate webcam 180 degrees clockwise"

Get Clicked

180 Degree: Rotate the camera/laptop in the front facing direction and capture the image. (Front wall/area).

"Rotate webcam 270 degrees clockwise"

Get Clicked

270 Degree: Rotate the complete camera/laptop to show the surrounding of the right side of your room/workspace and then capture image.

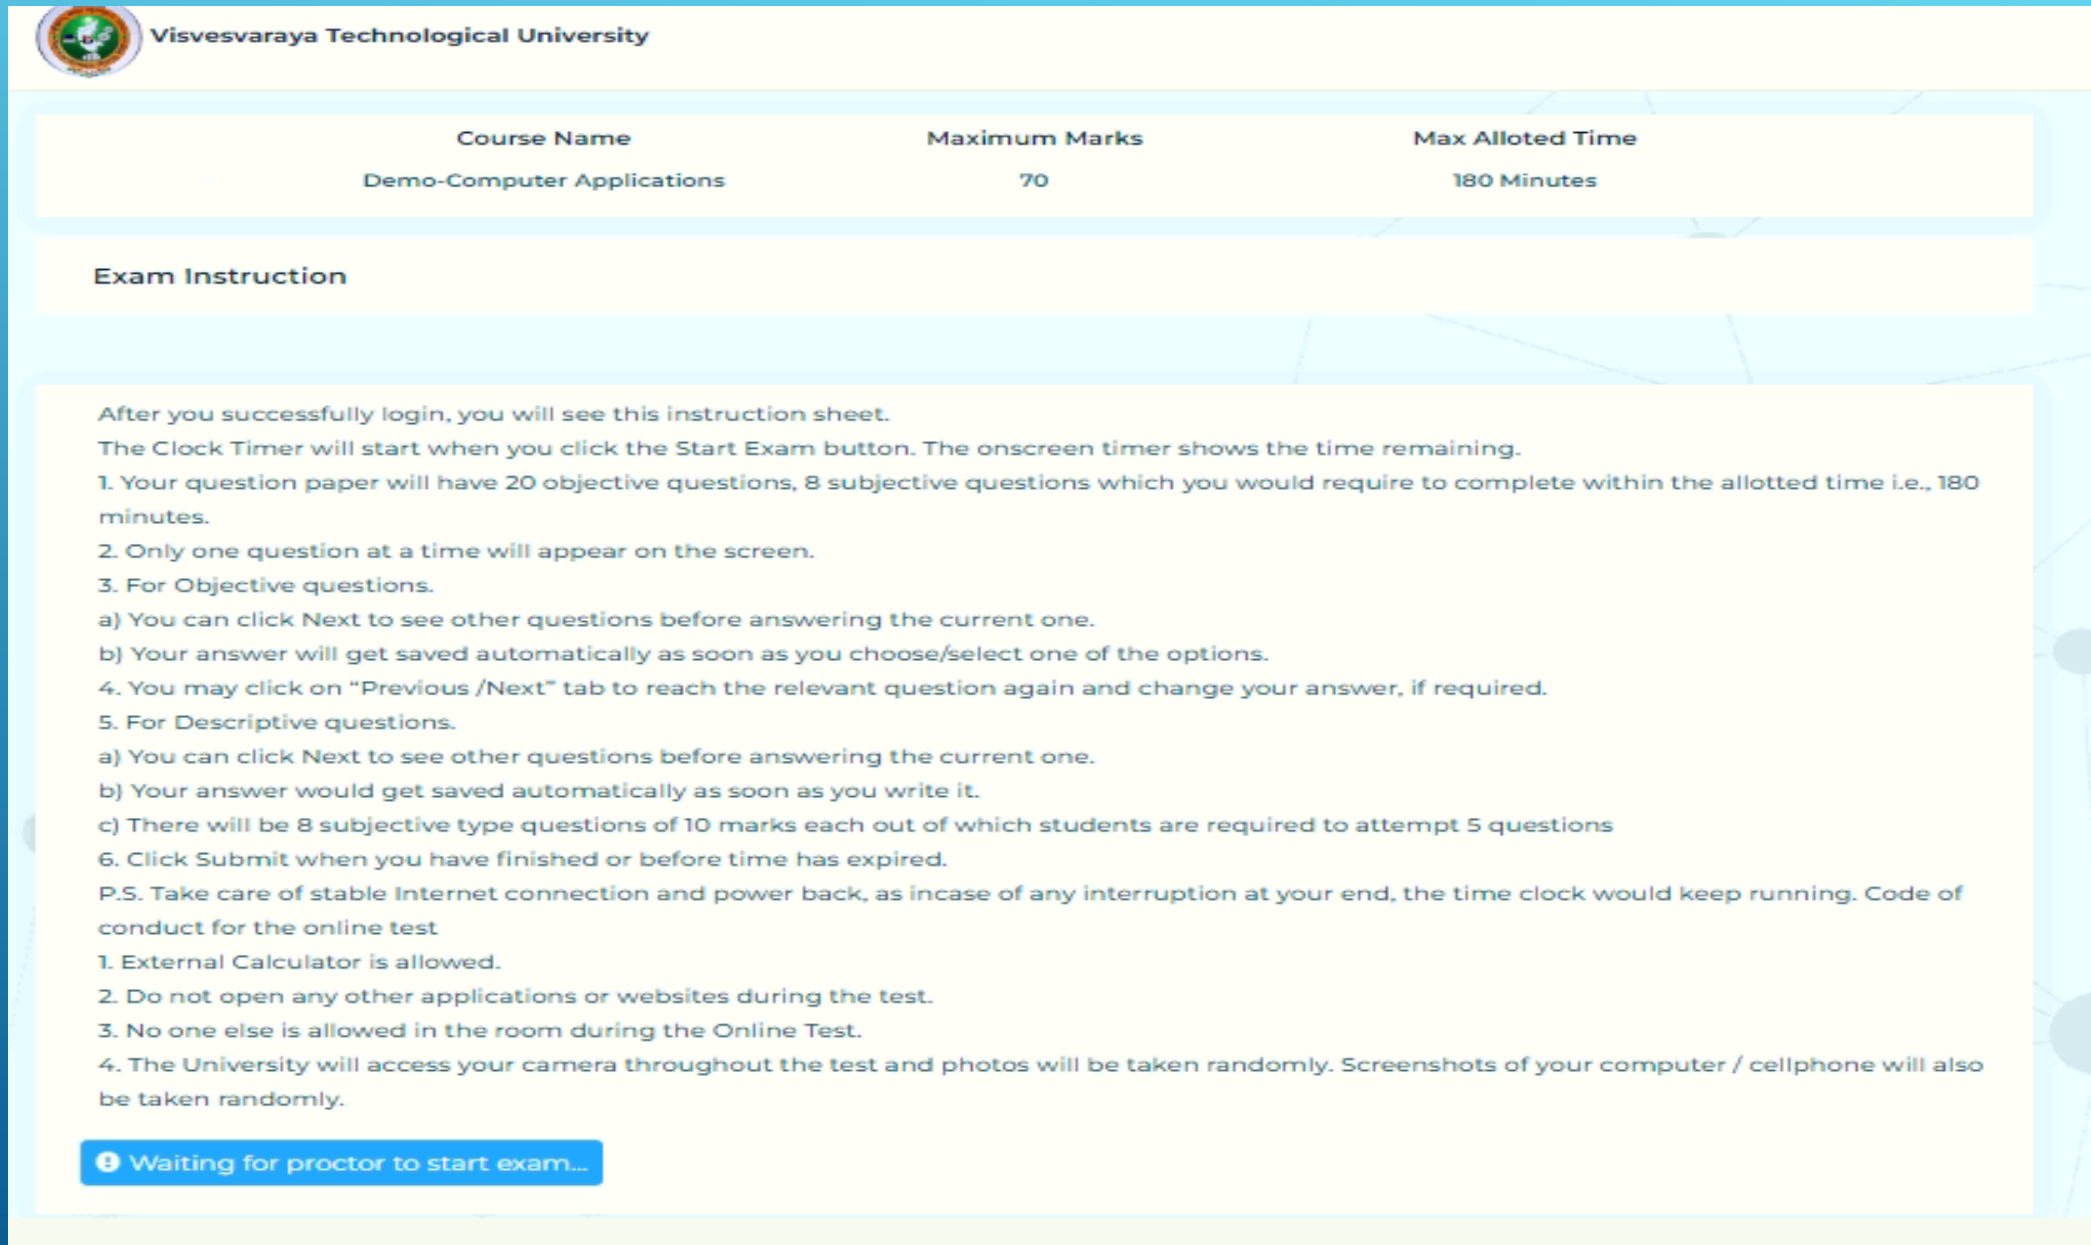

"Rotate webcam towards the floor"

Get Clicked

At the end rotate the camera/laptop in the downward direction to show the table top/floor.

Step 13 – Clearly read the exam instructions mentioned on the page and after 2-3 minutes your exam will get started.

 **Visvesvaraya Technological University**

| Course Name | Maximum Marks | Max Alloted Time |
|----------------------------|---------------|------------------|
| Demo-Computer Applications | 70 | 180 Minutes |

Exam Instruction

After you successfully login, you will see this instruction sheet.
The Clock Timer will start when you click the Start Exam button. The onscreen timer shows the time remaining.

1. Your question paper will have 20 objective questions, 8 subjective questions which you would require to complete within the allotted time i.e., 180 minutes.
2. Only one question at a time will appear on the screen.
3. For Objective questions.
 - a) You can click Next to see other questions before answering the current one.
 - b) Your answer will get saved automatically as soon as you choose/select one of the options.
4. You may click on "Previous /Next" tab to reach the relevant question again and change your answer, if required.
5. For Descriptive questions.
 - a) You can click Next to see other questions before answering the current one.
 - b) Your answer would get saved automatically as soon as you write it.
 - c) There will be 8 subjective type questions of 10 marks each out of which students are required to attempt 5 questions
6. Click Submit when you have finished or before time has expired.

P.S. Take care of stable Internet connection and power back, as incase of any interruption at your end, the time clock would keep running. Code of conduct for the online test

1. External Calculator is allowed.
2. Do not open any other applications or websites during the test.
3. No one else is allowed in the room during the Online Test.
4. The University will access your camera throughout the test and photos will be taken randomly. Screenshots of your computer / cellphone will also be taken randomly.

Step 14 – Click on start capture and your exam will be started.

Please Note – Ensure your video is clearly visible otherwise your exam session will be terminated.

ENG 11:03 06-05-2024

After completing objective, you will get summary of the questions and after submitting objective exam, subjective part will be started.

Please Note – After submitting the objective, you can't go back to the objective part again.

The screenshot displays the 'Online Examination System' interface for Visvesvaraya Technological University. The user is logged in as 'Student_vtu_bcd'. The current question is Q No: 5.4 / 20, and the time remaining is 02:51:38. The question is an objective type, asking to identify a redundant expression from a list of options: wordiness, ambiguity, tautology, and none of these. The 'none of these' option is selected. A 'Summary Exam' dialog box is overlaid on the screen, showing the following statistics:

- Part : Objective
- Total no. of question: 20
- 2 Attempted
- 0 Mark for review
- 18 Not Attempted

The dialog box also asks 'Do you want to save your exam' with 'Yes' and 'No' options. The background shows a question paper with a 'Question Paper' header, a 'Question Paper' image, and a 'Question Paper' title. The question is Q.no 5.4. The question text is 'Redundant expression:'. The options are 'wordiness', 'ambiguity', 'tautology', and 'none of these'. The 'none of these' option is selected. The question is saved successfully. The dialog box is titled 'Summary Exam' and has a dark blue header. The background is dimmed. The bottom of the screen shows a navigation bar with 'Previous', 'Mark for review', 'Save', and 'Submit Exam' buttons. The system tray at the bottom right shows the time 11:05, date 06-05-2024, and language ENG.

Subjective Part Starts..

Note –

- You need to type the answer in the dialogue box provided
or
- You can upload the handwritten answer sheets by clicking on “Attach” by following the steps given on next slide.
